

## 12v & 24v Jump Starter/Power Banks

**12V | Battery Jump Starter 18,000 mAh:** Capable of jump starting your vehicle up to 20 times on a full charge! It's compact and convenient to keep with you at all times for emergency use. Never call a tow truck service or wait on the side of the road helpless ever again. Comes with it's own jumper cables, that are easy to use to jump start multiple types of vehicles. With the Switching Wall Charger and adapters, you can plug into and charge the RP Power Bank in most electrical outlets World Wide.

**24V | Emergency Jump Starter 32,000 mAh:** The only commercial use portable 24V jump starter. It has sufficient amp power to jump start a 24V city transit bus equipped with two group 8D batteries running 1,300 CCA or a Humvee.
